Supper with Friends community dinner is held the 4th Wednesday from 5:30 to 7 pm at the Riley Presbyterian Church. Free will donation. All are welcome.

Bountiful Bins is a community closet and textile recycling program serving the greater Riley County community. It is located in the basement of the Presbyterian Church, corner of Kansas and Broadway in Riley. They accept donations of clean clothing and bedding, sports equipment, school supplies, and personal hygiene items. Please check their Facebook page for hours.

Turn Around, Don't Drown Six inches of flowing water is enough to sweep a person off their feet and can cause loss of control of light vehicles. Flood water may hide dangers such as debris or areas of the road surface that may be washed out. The city does participate in FEMA's National Flood Insurance Program through the Community Rating System and you may have access to more affordable flood insurance. You may want to check with your insurance agent about flood insurance. You can get more information at City Hall or www.cityofriley.com.
